

BlackBerry Mobile Voice System

Version 5.1

BlackBerry® Mobile Voice System (BlackBerry MVS) is designed to unify desk phone features on BlackBerry® smartphones.^{1,2}

Calls can be made on Wi-Fi® networks to save on mobility costs and improve productivity³. BlackBerry MVS provides one business phone number, one caller ID, and one voice mailbox wherever you go. Whether you're at work, at home, or travelling, you can access the desk phone features you use every day.

BlackBerry Mobile Voice System

Bring your office with you.

BlackBerry Mobile Voice System

For More Information: blackberry.com/mvs or email blackberrymvs@rim.com

¹ Requires BlackBerry® Device Software 4.5 or later.

² Requires BlackBerry® Enterprise Server 4.1.7 or later.

³ Access to Voice over Wi-Fi™ feature functionality requires BlackBerry MVS 5.0 or later, and supported BlackBerry Device Software.

⁴ BlackBerry Device Software 4.5 through 4.7.1 support Voice over Mobile only. BlackBerry Device Software 5.0, BlackBerry 6 OS and BlackBerry 7 OS each support Voice over Wi-Fi and Voice over Mobile.

⁵ BlackBerry MVS client will operate on Wi-Fi® Alliance 802.11 a/b/g/n certified networks. Wi-Fi™ technology supported is dependent on BlackBerry smartphone model.

⁶ Call recording is not a feature of BlackBerry MVS. Calls can be recorded using leading third-party solutions and require the BlackBerry MVS solution and third-party solution to be configured appropriately by the customer.

Check with your service provider for roaming arrangements, service plans and supported features and services. Certain features outlined in this document require BlackBerry® Enterprise Server 4.1.7 or later, BlackBerry® Desktop Manager and/or BlackBerry Device® Software 4.5. When you subscribe to third party products or services you accept that: 1. It is your sole responsibility to: (a) ensure that your airtime service provider will support all features; (b) identify and acquire all required intellectual property licenses prior to installation or use and to comply with the terms of such licenses; 2. Research In Motion® makes no representation, warranty or guarantee and assumes no liability whatsoever in relation to third party products or services.
