

# FREE voucher for BlackBerry Certification Program

## Knowledgeable. Capable. BlackBerry® Certified.

**The BlackBerry® Certification Program helps validate the BlackBerry skills required to succeed in the wireless world. BlackBerry Certification can help:**

- Build an expert reputation
- Strengthen contributions
- Validate BlackBerry knowledge
- Stay up-to-speed on technology trends

Demonstrate your BlackBerry skills and knowledge. Get certified as a BlackBerry Certified System Administrator! Request a free BlackBerry Certification voucher and get started today! Visit: [www.blackberry.com/voucherrequest](http://www.blackberry.com/voucherrequest)

The BlackBerry Certified System Administrator certification is designed for technical professionals who install, configure and manage BlackBerry® Enterprise Server software in an enterprise environment. Only one exam is required and exams are available for the Microsoft® Exchange and IBM® Lotus® Domino® platforms. For program and exam details, please visit [www.blackberry.com/certification](http://www.blackberry.com/certification).

**Terms:** Purchasers of BlackBerry Enterprise Server v5.0 are eligible to receive 1 free BlackBerry Certification Voucher. Vouchers apply to exams, BCP-420 and BCP-421 only. Requestors must provide a valid SRP ID at the time of the request. All exams are delivered through Prometric testing centers globally.
