Desire2Learn 2GO

Take eLearning anywhere!

Discover limitless learning. Desire2Learn 2GO is a mobile learning application that lets you take your education on the road.

Now you can allow users to stay connected to their core Desire2Learn Learning Environment around the clock and around the globe. Accessible from and closely integrated with the BlackBerry® smartphone, Desire2Learn 2GO will take your eLearning program to the next level.

- Achieve greater student engagement with a convenient mobile learning solution.
- Improve collaboration and communication within peer groups, and between students and teachers.
- Contribute positively to students' autonomy and motivation.
- Support rich social practices built around simple but powerful and reliable technology, fully integrated with existing Desire2Learn eLearning solutions.
